

Certificate of Analysis

Product Information:

Product Code	ECORPPRE
Description	475mV @ 25 deg C ORP Solution
Batch Number	S203/01
Manufacturing Date	23-May-2013
Expiration Date	23-May-2016

Actual Analysis

Measurement	Acceptance Range	Results
Mean mV (@ 25 deg C)	475 mV	Pass

Method of Standardization

This solution value is recorded using a mV meter that is calibrated by NIST traceable standard.
