MODEL : 2100-MB
MAKER : Badger Meter (USA)

1.1.
:

:   .

:   .

:

   Parshall Flume, V-Notch Weir,

   Manhole Flume, Parmer·Boras Flume

:   7,620 mm

  (Off·Set : 1 feet)

: ±0.1% of F.S. (2mm)

: ±0.5%

: 0.2%

:   ±0.0015 m

  : -30 ～ 70   (   )

   : 30m

    Triax Beldon 9222 Coaxial Cable

       300m   (   )

  : PVC Head Type

1.2.

: Micro·processor Based Controller

 Fully Field Programmable

 Built-in Temperature Compensation

: Flow Rate, Totalization, Flow Level,

 On-Line Meter/Operating Status Indication,

 Continous Self-diagnosis, Self-Test

 Noise Arrest Calculation, Signal Strength

 Meter Identification and Tag Number

 4-20mA Span/Zero Adjustment

 Flow Damping, Function Control

 Meter Rescale, Meter Recalibration

  :   24   2   LCD

                        ,

: Programmable 5 Keypad

       : m^3/sec, m^3/min, m^3/hr,

        /sec,   /min,   /hr,

       G-US/sec, G-US/min, G-US/hr,

       Percent etc

      : +   , -   , ±   ,   ,

       m^3,   , G-US

      : Pul/m^3, Pul/   , Pul/G-US,

      Pul/sec, Pul/min, Pul/hr

  : 0 ～ 65

   (0   -40   Heater :   )

  : 95% R.H.

: AC 220V, 50/60Hz (Standard)
                      AC 110V, 50/60Hz or DC 12V (   )
                    : 10W
                    : Isolated DC 4-20mA, Max 1000 , Pulse,
                      4   ,
                    :   RS-232 Serial Port
                    : 7.75(W) × 5.75(H) × 4.00(D) inch
                    :   NEMA 4X
                    : Wall or Panel Mount
